Writing

Writing **Favorite Memory**

As the year comes to a close, we are going to reflect on the year. We had many fun things we did from reading with our second grade friends to our fun Fridays with Art Hub and our 6th grade buddies. We learned a lot and along the way we built a kindness tree and tried to trap the leprechaun! Each of you led morning meetings and got to share out your thoughts and new skills with partners on the rug or at your tables. We did so many things this year!

Tell me about one of your favorite memories from the year!

Use your transition words first, next, then, and last when telling your story. Make sure to draw your 4 pictures to help tell the story! I look forward to reading your favorite memory!

*Use lined paper if available.

BE SURE TO:

- *Write neatly
- *Use capital letters when needed
- *Use punctuation
- *Use finger spaces between words
- *Use correct spelling of words taught this year, and use Tucker to help you sound out words.

Take a picture and record yourself reading your writing - submit it to Seesaw.

Assignment submitted and read aloud to the teacher through Seesaw.

Math

Math

Focus: Review skills

1. Click the link and listen to the math song: [Ten More, Ten Less](#)

2. On SeeSaw complete the following review activity: **More and Less**

Activities to be submitted on Seesaw and time spent on specified app/website.

(Tuesday 5/12)

OPTIONAL FUN

*Use chalk to make a game of hopscotch outside! Then play on it with a family member!

OPTIONAL FUN

*EPIC Story

Search this story on Epic and read about summer. Then make a list of things you want to do this summer with your family!

OPTIONAL FUN

*Mystery Doug: [How do things glow in the dark?](#)
